Introduction

PrivadoVPN is the best premium Free VPN available. It offers an exceptional service with 10GB of free access every month with no speed limits, no ads, and no data logging.

PrivadoVPN is also the only free VPN that reliably provides secure access all popular streaming services like Netflix, BBC, Disney+, and Hulu, plus P2P.

Whether you choose a free or paid plan, PrivadoVPN protects all your devices, grants secure access to your favorite streaming services, and ensures fast and secure P2P transfers from any corner of the world.

Service Features

Zero-Logs VPN

PrivadoVPN is a zero-log VPN designed to safeguard your privacy. The service is also based in Switzerland, renowned for the most stringent and robust privacy laws in the world.

Premium Global Network

With its own proprietary network, PrivadoVPN delivers the fastest, most secure, and reliable service.

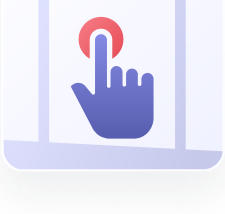

Seamless Streaming

PrivadoVPN works flawlessly with popular streaming platforms like Netflix, BBC iPlayer, Disney+, and more (full list below), giving you secure, unrestricted access to your favorite content without any geographical limitations.

Fast Speeds

PrivadoVPN's meticulously-built and fully-optimized IP network guarantees exceptional speed and security. Stream, game, download, and browse without any buffering or speed throttling.

User-Friendly Apps

Enjoy the convenience of free and easy-to-use apps for Windows, Android, macOS, iOS, Fire TV Stick, and Android TV. You can also easily secure your entire network by connecting your router to PrivadoVPN.

P2P Support

PrivadoVPN supports P2P traffic on both free and paid plans. Premium plan users can further optimize their experience with SOCKS5 Proxy Servers for accelerated P2P transfer speed.

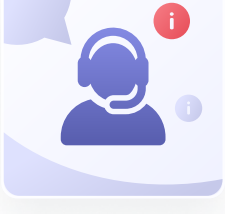

Secure Encryption Protocols

PrivadoVPN utilizes the most secure encryption protocols including OpenVPN, IKEv2, and WireGuard, to safeguard your data.

10 Simultaneous Connections

Premium plan users can connect up to 10 devices concurrently with PrivadoVPN, while free users have 1 concurrent connection.

24/7 Customer Support

Help is always at hand with PrivadoVPN's 24/7 customer support. Whether through live chat or email, our dedicated team is ready to assist you promptly, day or night.

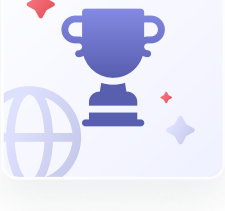

Crypto Payment Support

In line with our commitment to privacy, premium subscriptions can be conveniently made using Bitcoin, Ethereum, and all other major crypto currencies like DAI, Litecoin, Dogecoin, Bitcoin Cash, and USD Coin. Traditional methods like PayPal, credit card, SEPA, and iDeal are also available.

30-Day Risk-Free Trial

PrivadoVPN stands behind its service with a full 30-day money-back guarantee. You can sign up with confidence, knowing that if for any reason you're not fully satisfied, you're entitled to a full refund, no questions asked.

Advanced Privacy and Security Features

- **Auto Start:** PrivadoVPN's app can be set to automatically launch upon device startup, ensuring your privacy from the moment you power on.
- **Auto Connect:** Streamline your VPN experience by auto-connecting to your preferred server or fastest server as soon as you open the PrivadoVPN app.
- **Kill Switch:** Rest easy knowing that in the event of a connection drop or interruption, PrivadoVPN's Kill Switch feature will instantly close all Internet-enabled apps and browsers, preventing any potential IP address leaks and preserving your privacy.
- **Split Tunneling:** Take control of your online experience with PrivadoVPN's Split Tunneling feature, enabling you to specify certain apps or services that can bypass the VPN connection. This empowers you to customize your online activities while still benefiting from VPN protection for other sensitive tasks.

Introducing PrivadoVPN Control Tower

Exclusively available with all premium plans, PrivadoVPN's Control Tower introduces a suite of advanced security features tailored to fortify your online experience, including:

- **Ad Blocker:** Remove ads and prevent trackers from infiltrating your browser for a cleaner, faster, and more private browsing experience.
- **Malware Blocker:** Shield your devices from potential malware threats by blocking access to malicious websites known for distributing harmful software.
- **Ransomware Blocker:** Prevent ransomware attacks by blocking access to websites associated with distributing ransomware.
- **Crypto Scam Blocker:** Protect yourself from falling victim to cryptocurrency scams by blocking access to crypto scam sites.
- **Phishing Blocker:** Stay one step ahead of phishing attempts with PrivadoVPN's Phishing Blocker, which detects and blocks access to deceptive websites designed to steal personal information and passwords.
- **Parental Controls:** Take control of your family's online safety with PrivadoVPN's Parental Controls, enabling you to easily set and enforce restrictions on website and service access for your children. From blocking adult content to limiting access to social media platforms like Facebook, TikTok, Twitter, and YouTube, create a secure and supervised online environment tailored to your family's needs.
